

Maths

This term in maths we will focus on the following:

- Using Place Value to solve problems.
- Solving problems using written and mental methods using addition and subtraction.

Literacy

Here we are: The children will be using this book by Oliver Jeffers to explore our natural world. They will practise a range of Year 4 grammar and spelling skills whilst creating poetry and a descriptive piece.

Cosmic: The children will be listening to the story 'Cosmic' by Frank Cottrell Boyce to write a character profile, informal note parent to child, persuasive email (GF), promotional leaflet (GF), persuasive argument and list poem.

RE

What do the miracles of Jesus teach us? The children will examine the statements Jesus made about himself, considering how these statements relate to their everyday life.

PSHE

Families and friendships: Pupils learn about the differences between confidential and secret, give praise and constructive feedback to others, confidently and appropriately, when there is a difference of opinion.

Safe relationships: Children will learn about individual liberties a child has in today's society.

Science

Earth, Sun, Moon

The children will learn about the shapes and relative sizes of the Earth, Sun and Moon. Using models, they learn how the three bodies move relative to each other and how these movements relate to night and day.

Magnificent Mountains!

Year 5

Curriculum Outline Autumn Term 1st half, 2020

Reminders

- Spellings will be uploaded onto Google Classroom, and pupils will be tested on Monday.
- 3 Grid Home Learning tasks uploaded to Google Classroom per half term.
- MyMaths home learning to be completed every week.
- Children will be asked to complete a minimum of three activities per half term from the grid
- PE kits need to stay for the half-term .

Computing

E-Safety: Children will explore cyber safety using the 'Think u Know' website and learn what cyber bullying is and how to remain safe online.

Geography

Mountains: Children will explore why mountains are so important. They will also focus on the interaction of people with mountains, the legend of Mallory and Irvine, as well as the location and distribution of mountains within the UK.

DT

Structures: Children will design and build a 3D structure, which will be used for a purpose. They will be following the design process throughout.

Music

Livin' on a prayer: All the learning is focused around one song: Livin' on a Prayer. The song will be taught using games, the dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments.

PE

DD-Mix: The children will continue to work alongside the dance company 'DDMix'. They will continue to develop their fine motor coordination and muscle conditioning through the medium of dance.

Outdoor: The children will learn how to play a game of tennis. They will work on grip, agility and power.

French

L'école: Children be learning vocabulary to name school subjects, talk about school subjects and the timings of a school day.
