

# English

Throughout the spring term we will be exploring the book, The Miraculous Journey of Edward Tulane by Kate DiCamillo. The book revolves around a much loved china rabbit who experiences wildly different settings, identities and owners, thereby gradually learning the value of love and friendship.

# Maths

We will cover the following units:

- Fractions
- Time
- Decimals
- Area and perimeter

# Music

Children will be studying classroom jazz, BBC 10 pieces - Short ride in fast machine by John Adams & Kingston Music Service will be in to teach African drums

# Geography

## Misty Mountain, Winding River

The children will learn about the characteristics and features of rivers and mountain ranges around the world, including a detailed exploration of the ecosystems and processes that shape them and the land around them.

# Art

## Vista

This project teaches children about the techniques that artists use when composing landscape images, such as colour and atmosphere.

# D&T

## Food

Children will design & create a healthy and varied diet and a tart with a seasonal filling

# Computing

## Creating media, skills showcase & online safety -

Children will be studying how to stay safe, website design and html.

# Science

## States of Matter

This project teaches children about solids, liquids and gases and their characteristic properties. They observe how materials change state as they are heated and cooled, and learn key terminology associated with these processes.

# RE

## Christianity

What is the Bible's 'Big Story' & what does it reveal about having Faith in God? What can we learn from wisdom? Who is the most significant person in the Easter story?

# PE

Children will be taking part in DDMIX, squash with Surbiton Racquet and Tennis club, swimming at Shrewsbury House and netball.

# MFL

## Clothes and book study

Children will be learning about clothes and Pierre Lapin

# PSHE
