

St. Matthew's Church of England Primary School

“What we’re doing to  
make our school get  
better and better!

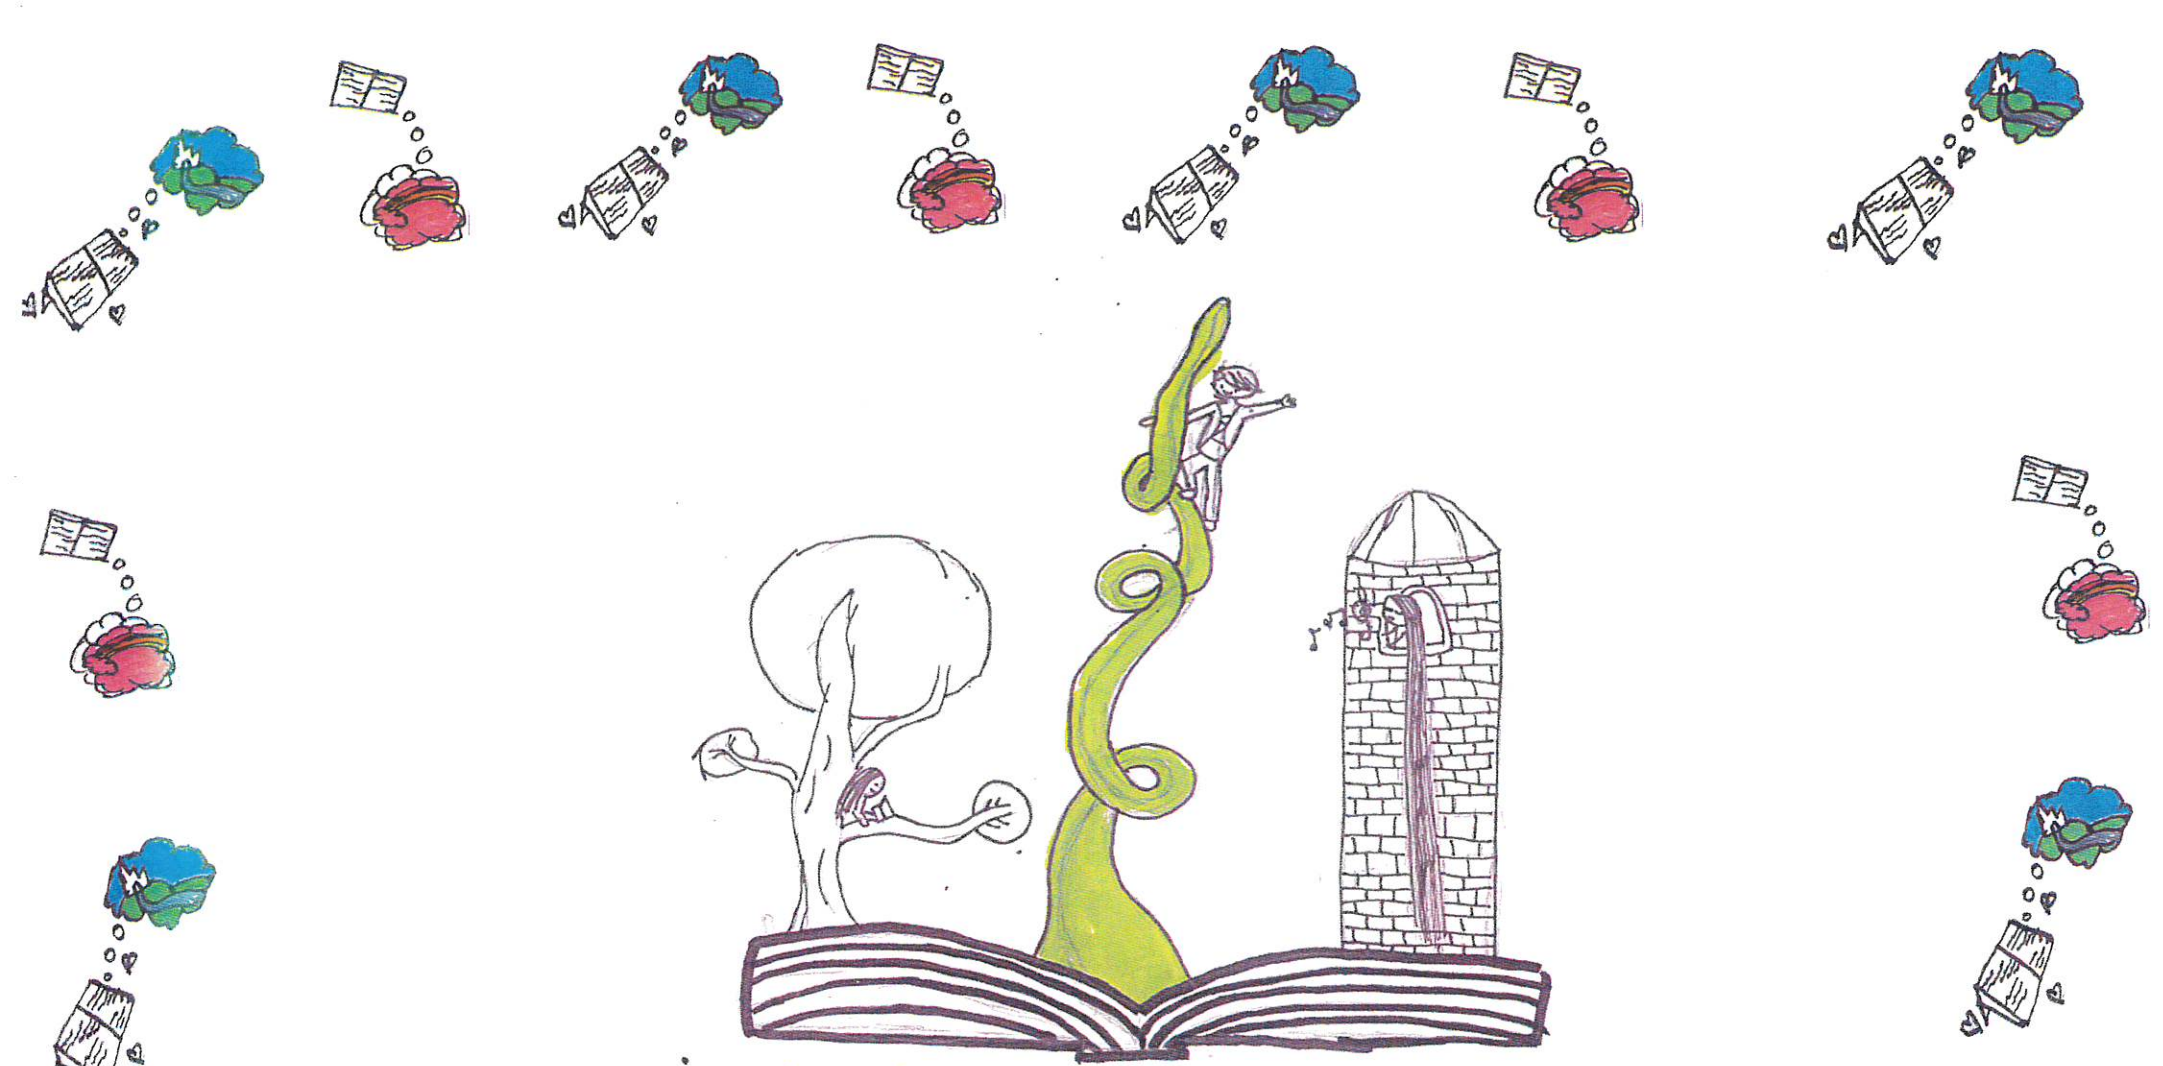

(by the children who get to enjoy the changes!)

2022-2023

To utilize our local church: it is a very special place for us.

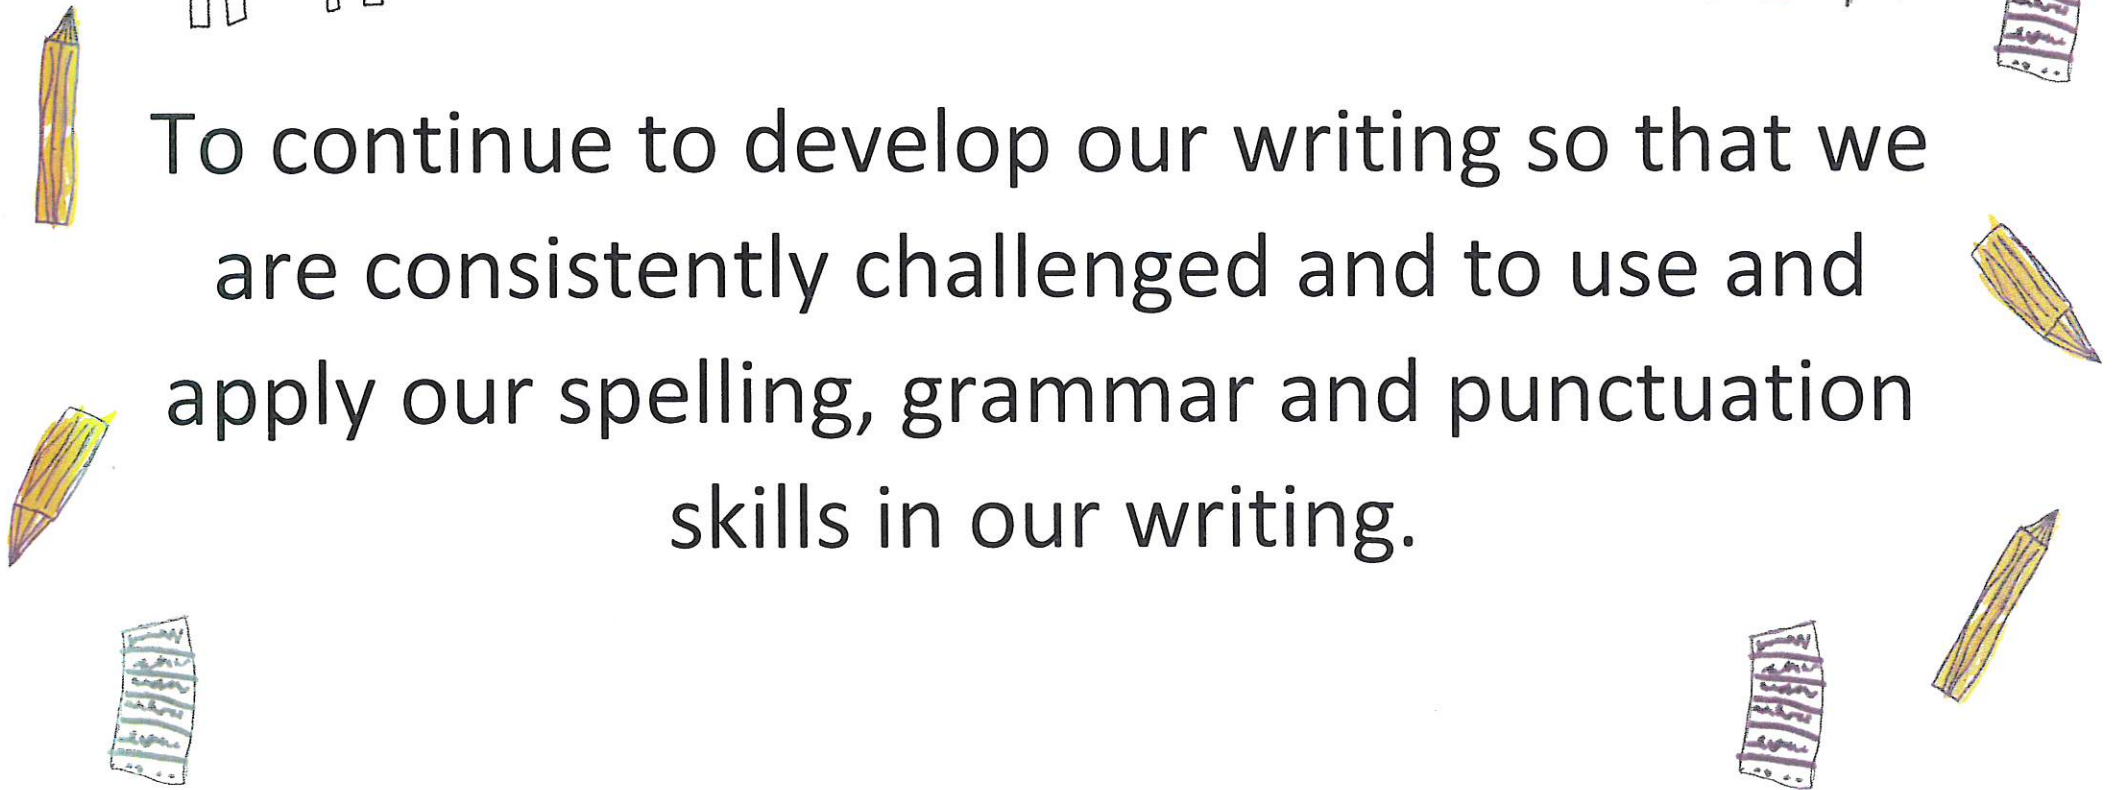

To ensure our fluency, confidence and enjoyment in reading is developed.

To continue to develop our writing so that we are consistently challenged and to use and apply our spelling, grammar and punctuation skills in our writing.

To reduce, reuse and recycle where possible  
and look after God's wonderful world.

To ensure all children have quality play opportunities through our OPAL project and to learn to play collaboratively.

# LIVE LIFE TO THE FULLEST

To support the children's well-being and enable everyone to live life in all its fullness.
