

Thursday 2nd April 2020

Dear Parents/Carers,

The staff and governors of St Matthew's hope that you, your family and your friends remain safe and well. We would like to thank each and every one of you for your continued support over the last couple of weeks, especially in this strange 'new' world to which we are all having to adapt. All the staff are well and appreciate your kind words and thoughts.

As we approach what would be our Easter holidays, we thought it important to touch base with you. Our teachers have been busily uploading work to the Google Classroom (since school was closed to all but the key workers' children) and have been pleased with the responses and work that they have been receiving. Some of you have contacted us via admin@stmatthews.rbksch.org to let us know when you have experienced technical access challenges and our staff have responded quickly and so we would ask you to continue to do that, if you have problems.

On Friday 3rd April, the teachers will upload some web-based activity ideas onto Google Classroom that you may choose to use over the holidays, but this is entirely up to you. We do not wish you to feel over-burdened at this time.

We will resume uploading regular work to the Google Classroom from Monday 20th April.

We wish you all a safe and peaceful Easter.

Our best wishes

All at St. Matthew's C of E Primary
